

The Pitchfork Patrol (Center Point Western Complete (Large Print))

Will Henry combines the best talents of a natural storyteller with an inspired poets glorious use of the English language. DUTY BOUND It took a tall horse to carry him, they said. He was a giant of a man, six-and-a-half-feet tall and 275 pounds. He could bend a horseshoe with his bare hands and lift a fully-loaded wagon on his back. But Sergeant Honus Schlanager was getting old and tired and he was ready to quit. Still, he had his orders. He had to find the widow woman and her three kids squatting on Indian land and bring them back to the fort. The sergeant knew that only trouble could lay ahead as he rode out into Sioux territory. But he had his orders . . . and hed carry them out if it was the last thing he did.
