

ILLUSION

Miranda, a spirited and vivacious Southern teen, sets out to enjoy her Senior year in High School, until she meets Evan. In the midst of learning there is a deep dark secret her mom and best friends mom have held onto for seventeen years, she finds it is easy to embark on a new friendship. After a few months, she discovers Evan is not so charming; in fact, he is trying to control her every move. Miranda tries to break free, but he will not let her. In his mind, if he cannot have her, no one will. When she comes up missing on prom night, the entire Senior class in her home of South Carolina is left distraught. Even with her disappearance, Miranda leaves something which will change lives forever. I was hooked on the first page. It was very addicting! Bella Watson
