

## H2S

Clint Henderson thought that he had the best that he could expect in life: a good friend and a job as an Area Inspector with the Alberta E.R.C.B. that he enjoyed immensely. He may have been lonely, but he had become used to that. Then he meets a woman who might possibly be a cure for his loneliness, but when a former colleague leads a small group of men, filled with resentment and intent on revenge, on a mission to take over a sour gas plant and threaten to destroy it, all that could disappear...
