

Afternoon Pleasures: Erotica for Gay Couples

Shane Allison has put together that rarest of anthologies- bedtime reading for gay couples. Filled with romance, passion, and lots of lust, Afternoon Pleasures is irresistably erotic yet celebrates the coming together of souls as well as bodies. Two husbands travel down south to meet up with a horned up twink in Jeff Manns, One Afternoon in the Bible Belt. A sneaky environmentalist is sandwiched between rock-hard dick hounds, Eddy and Dale in Bob Vickerys salacious tale, Loggers. Two life partners have a Sunday morning roll in the sack in Hank Edwards Breakfast in Bed. Erotic bard, Rob Rosens Skyrockets in Flight, is delicious with naughty bits in every throbbing line. These are just a few of the tawdry stories of male on male sex that grace the pages of this anthology. So lie back with the one you love or the one you lust after and enjoy. Clothing is optional.
