

All My Tomorrows: Sequel to Yesterday Once More

Dr. Jordan Lewis was born in 2073, fifty-four years after Maggie Downs was thrown from her horse and died on her farm in rural Vermont. Paralyzed from the waist down at age fourteen, thirty-two year old Jordan falls in love with the young Maggie Downs through Maggies diaries that she finds hidden between the walls of that same farmhouse, which she now owns.

Jordans courageous trip back in time to save Maggie, results in catastrophic consequences for the future Jordan but opens a whole new world of possibilities and challenges for the Jordan that lands in the year 2019 as she attempts to negotiate the past without jeopardizing the future she has already lived. All My Tomorrows is the sequel to the 2009 Golden Crown Literary Society award winning novel, Yesterday Once More.
