

## Wraith: A Novel (The Goddess Trilogy Book 1)

Delilah Dauphine is a self-professed loner and the owner of a small antiques shop in hurricane-ravaged New Orleans. Her solitary life is turned upside down when her estranged mother - a turbulent and passionate woman - is found dead under suspicious circumstances in the tiny town of Jupiter in the Adirondacks. Now Delilah must dredge up painful memories of the past, and face the threatening people of the town who despised her free-wheeling mother, to get to the bottom of a mystery that goes back further than she realizes. On her journey, she encounters three men who will all play a part in discovering her destiny: Bennett Hudson, the towns sherriff, and the billionaire Erynberg brothers - Alex and Kellen, who both find themselves attracted to the outsider.
