

Crossing the Barrier (The Gray Eyes Series) (Volume 1)

High school student Malakai Thomas, star wide receiver of the varsity team, collides with band member Lily Morgan on his way to football practice. As days go by, Malakai cannot get the petite clarinetist out of his head. Lily Morgan can feel everyone's emotions. She loses her ability to shield herself against them the day Malakai runs into her. Now she must try to maintain her sanity in the emotional jungle that is high school, as well as deal with her growing feelings for Malakai. Can Malakai get over the social stigma and his own internal struggle to be with Lily? Is Lily's secret too big to accept, even for him?
