

Masala Chai

Masala Chai is a fictional romance combined with an explosive expose of corrupt Indian politicians and their mishandling of poverty. Entwined with many heartfelt stories, it is a saga of intense love, struggle, despair and ecstasy that highlights the problems of the indigent slum dwellers in India. Bharti, a British paediatrician of Indian origin, born, brought up and educated in England, returns to India with a mission to help the poor but above all to be with the love of her life Vijay whom she met on an earlier visit. They decide to pursue their mission to help the poor not knowing that their mission would turn into a struggle for survival.
