

Blood Curse (Blood Tetralogy Book 1)

****Warning! Violence, sex, blood, and evil vampires**** Issala endured years of torture as Lady Catherine's Pet. She thought she was free until the sadistic vampire returned and brutally murdered Issala's lover. Now she spends every waking moment hunting vampires in the hopes that she can find the one who so ruthlessly destroyed her life. Lorelei Renfield's family has been serving vampires for centuries. Only a few nights before her dedication ceremony to their family's cruel master, she runs from home--and into Issala's path. The tall, dark-eyed stranger promises to protect her, but Lorelei wants more than a protector, she wants true love. The peace they both long for is shattered when Issala discovers that Lorelei's blood can destroy Lady Catherine and end her own unwanted immortality. Will she take the death she's longed for or find hope in Lorelei's arms?
