

Catherine Of Deepdale

When Catherine Jameson leaves Southampton and arrives in Shetland with her husband, Robbie, her dream of an idyllic life on an island is rudely shattered. His home is a croft devoid of any convenience and her mother-in-law does not hide her dislike of her sons English wife. Undaunted, Catherine is determined to adapt to her new life, but when Robbie drowns in a fishing accident, and a short time later she finds she is pregnant, she is devastated. Will she go home to her family? Or will she stay and try to carry out the plans that Robbie had?
