

Claire, Derrick, & Dan: A Polyamorous Bisexual Love Story: The Whole Story

Derrick and Dan are dorm mates and best friends with Claire, who is Derricks girlfriend. One night, their relationship changes and a new dynamic Dan never knew he needed emerges. Its not long before our trio have entered a state of domestic bliss. This lasts until Dans arch enemy Padma decides he is too happy and makes a move to put him in his place - under her beck and call. Will the love this trio shares be enough to save them, or will this be the end of Claire, Derrick, and Dan?
