

A Queen Deferred

A Queen Deferred is a compilation of life reflections through poetry. It brings to life the journey of many and presents a heart filled artistic expression of a variety of human experiences. A Queen Deferred is socially conscious and often politically in correct. It is tear jerking as one will find herself or himself close to any number of the poems within. We are one, and life happens. Understanding, compassion and the will to get involved comes forth through, A Queen Deferred.
