

Wynona would do anything her husband Frank told her to do, regardless of the activity and with any man he tells her to do it with. She does not submit because of her love and devotion for him, but because she is incapable of enjoying sex any other way. Wynona is driven to be taken and used seemingly against her will by men she does not know, it is her obsession. An arrangement with a stranger is set to take place while Wynona lies helplessly bound and gagged, unable to resist whatever the man wants from her, while her husband measures his time at the local cinema. An evil man takes an interest and contemplates the horrors he will inflict on Wynona, certain that after he finishes with her, she will never need another stranger's attentions. Caution: This story contains scenes involving extreme, sadistic violence and explicit sexual contact. Not recommended for the squeamish or underage individuals.
