

## The Gospel of Thomas

The pope is dying. After Simon Mulangu, the Congolese cardinal, sends him a mysterious message, President Thomas Bremanger orders U.S. intervention in the upcoming papal election. The attorney general and West Wing top players assemble a special unit to carry out covert actions. As turf wars erupt between team members, a seductive intern reports back to her Chinese handlers. The countrys interests, the lives of President Bremanger and Cardinal Mulangu, and the fate of reunification of the Christian Church depend on American operatives and the sacred conclave of Roman Catholic cardinals.
