

## Three Novels

This unique three-in-one narrative takes readers through the suspense of an action-packed thriller, the conspiracy of a crime mystery, and the inspiration of ones call to duty, sacrifice, and love. With settings in New York City and New Orleans and flashes of international influence, *Three Novels* sheds three different lights on the struggles of human nature and the journey of self-discovery. *Secret*, the first novel, follows ex-CIA agent Marcuse as he is enslaved by a gripping secret. He struggles to maintain the life he knew and prevent the murder of his young daughter at all costs, but as the story unfolds, he battles with his own identity and quickly learns that no one is whom he or she claims. Will he conquer the secret that has ravaged his life and learn who he truly is in this thrilling tale of betrayal and espionage? A serial killer is on the loose in New Orleans in *Third Eye*, which follows Detective Vince Norton as he investigates why a different suspect has been indicted for each murder. Despite working the case with an egotistical partner who despises him and within an uncooperative system, Detective Norton is convinced there is one man behind the killings and will do whatever it takes to bring him down. But can he beat a system that refuses to look deeper? How can he argue against evidence, planted at each of the scenes, that points to other suspects? In the final novel, *One World*, an immigrant doctor from war-torn Iran resolves to fulfill the dying wishes of an American military nurse and sets search for her adopted daughter in New York City to take her in as his own. With all odds against him, Mohsen begins his new life in the United States, embarking on the journey of a lifetime in this inspirational tale of overcoming racial boundaries for the sake of love, patriotism, and unity. *Three Novels* is a compilation of three passionate stories that tell of our basic need for

security and safety, justice and absolution,  
and love and unity in todays world.
