

Alex can't remember where he is going, why he is going there, or with whom he is traveling. Seth can't forget who he has been. Gloria seems to know what is about to happen. Liz is completely surprised. Joel believes there are complex requirements to get there. Rachel believes it is simple. Some think it's a dream, for others it's all a game. We all know there is more to existence than what reaches us through the five senses. We feel it in our guts, our hearts, our bones. We know there is someone, something, or somewhere else we are trying to connect to, but are there forces trying to contact us? These seven stories track the progress of some fellow seekers.
