

What does your financial situation look like? 'What's Your Financial Game Plan?' is the perfect 'how-to guide' that will assist you in developing a foolproof financial strategy for your situation, whatever that might be. It will open your eyes to the possibilities that money has to offer if you utilise it wisely. Through the stories of two friends, Brad and Adam, we see how, despite having the same job with the same salary, they end up in totally different financial positions. What happened? One used his money to his advantage and ended up very wealthy whilst the other used it to his detriment and became very stressed and depressed. This easy to read book is packed with practical hints and tips. It even shows how creating wealth is accessible to anyone who is serious, and willing to change the way they see and handle their finances. It will take you through: Financial planning Budgeting Debt, good and bad A savings strategy A wealth-making approach And even looks at how our government and society affects our finances After all is said and done the main objective here is to have a solid FINANCIAL GAME PLAN. This book will hopefully inspire and lead you to financial success, whatever that might look like for you personally.
