

Memoirs of a Gigolo, Second Omnibus Edition, Volumes 5-7

Welcome to the world of Oliver Adair. Beautiful on the outside. Damaged on the inside. One bad decision followed by the next leaves him broke and out of options. When propositioned to sell his body, he enters into a parallel world of sex for hire. Oliver embarks on a journey that will force him to confront his demons, answer for the sins of the past, and become a man. In Volume Five, we find Oliver is in Japan with a new and fascinating lover. What will it take to get him to leave and return home? Possibly more than Olga has to offer him. In Volume Six, Oliver learns that all jobs become routine after a while. Even that of a male escort. In Volume Seven, Oliver gets into the first fight of his life, and rounds up his assortment of fellow horny escorts, celebrities, and fallen aristocracy, for a reality TV show at his ancestral manor and ends the novel in the second fight of his life and in the gossip pages. What Reviewers are saying about Livia Ellis Memoirs of a Gigolo series. With her Memoirs of a Gigolo series, Livia Ellis manages to combine good storytelling and effective eroticism into one delightfully well-developed story. - Ashley R Lister, Author of How to Write Erotic Fiction. A great book! Ms. Ellis has a keen sense of humor which lends a wonderful voice to this tale of an impoverished nobleman and his foray into prostitution. I found myself smiling as I read it and cant wait to continue with Vol. 2! A delight, a surprise, and so sexy. - Rosanna Leo, erotic romance author
