

Reapers Legacy (Reapers MC)

Eight years ago, Sophie gave her heart-and her virginity-to Zach Barrett on a night that couldnt have been less romantic or more embarrassing. Zachs stepbrother, a steely-muscled, tattooed biker named Ruger, caught them in the act, getting a peep show of Sophie hes never forgotten. She may have lost her dignity that fateful night, but Sophie also gained something precious-her son Noah. Unfortunately, Zachs a deadbeat dad, leaving Ruger as Noahs only male role model. When he discovers Sophie and his nephew living in near poverty, Ruger takes matters into his own hands-with the help of the Reapers Motorcycle Club-to give them a better life.

Living with outlaw bikers wasnt Sophies plan for her son, but Ruger isnt giving her a choice. Hell be there for Noah, whether she wants him or not. But Sophie does want him, has always wanted him. Now shell learn that taking a biker to bed can get a girl dirty in every way...
