

His Private Punishment: The Full Book - Parts 1, 2 and 3

His Private Punishment is the sequel to High Heels in the Library and deals with the arrest, trial and sentencing of Tommy Watkins. Tommy is accused of sexually assaulting Renee Thames in the library of Svenmehr College, a girls college known for educating young women to be cruel and bitchy teases. Tommy had been unmercifully teased by young Renees short skirts, pretty legs and high heels until he could not take it anymore and sought to satisfy his lust. He was arrested by female police officers who specialize in this type of male sexual offender and know how to control lads that like to sneak peeks at pretty girls and ogle them. The problem is that the College wants to handle the incident discreetly. No trial is desired. Luckily, the District Attorney is an alumnus of the College and a dedicated dominant female. She paves the way for a plea deal that requires Tommy to submit himself to the jurisdiction of the cruel but beautiful Judge Deidre Roberta and then accept commitment, first, to the Institute for Maladaptive Males, where his manhood is medically sheathed and put under the sinister control of Doctor Katherine Gewinn and, then, to Thames Manor in Jamaica, where Tommys private punishment is to be carried out by Phillipa Thames, the beautiful chairwoman of the board of trustees of Svenmehr College, Renee Thames, and her very sexy older sister. Tommy is appalled at the status of the indentured servants on the Manor. They slave to please the Thames women. The Thames women are under Court order to teach Tommy to control his libido, his wandering eyes and his boorish male behavior. They have three months to make the lad into a good docile male. Tommys job at the Manor is to sexually satisfy the Thames women. In performing that job, he must learn to control his own libidinal needs. He must ask permission to become aroused and to seek fruition. The womans

pleasure is always first and paramount. His is never allowed. He learns to fear and hate the penis whip. He never dreamed that sex could hurt and be used as a punishment. He longs for his freedom and to escape the clutches of the beautiful women that make him think of coitus all the time and force him to shame himself repeatedly.
