

A meteor shower has blinded the population of southern England and killer vegetables are running amok. Martian war machines are popping up all over the place, guided by their malevolent sticks of celery, and Fembot Sally is at a loss as to what to do. The army has been defeated, the air force is out of action and she can't get a message through to London. Can one Fembot defeat an entire Martian invasion force single-handedly? Probably not.

Journal of Comparative Legislation and International Law, PLR 2005, Strategic Assessment 1997: Flashpoints and Force Structure, Captured: Warriors of Hir, Volume 1, On the Trail of the Bomb Man, The Militia and the Right to Arms: How the Second Amendment Fell Silent, Constitutional Conflicts,
