Singing sensation and bad boy Chi-Town (based on R. Kelly) can bed any woman he desires but finds himself mesmerized by the elusive and beautiful Reyna. Though wary of Chi-Town's reputation, Reyna lets down her defenses and begins a loving, erotic relationship with Chi. Chi's friends are impressed by the changes they see in him, inspired by Reyna. Chi and Reyna's happiness is suddenly in jeopardy when Chi receives a series of death threats based on past events. The danger escalates when a brick is thrown through the windshield of Chi's Escalade. Chi must make a wrenching decision. Should he brush off the threats and continue seeing Reyna, or should he protect his newfound love by sending her out of town? *The Invitation: It Was Only Supposed to Be One Night* is a romantic, sexy, riveting journey through the glamorous but dangerous underworld of the music scene, and the intriguing characters that populate it.
