

The Quality of Mercy (A Liz Bell Legal Adventure Book 2)

Elizabeth Bell, the recently-elected District Attorney for Cape Cod & The Islands, has to dig deep to determine the difference between justice and mercy after an old murder case comes to light while she is negotiating the sexual politics of 1985. The author draws on five years teaching criminal justice in addition to his twenty years of practice to examine the issues. [content advisory: this weekend read (61k words) contains some rough language and sexual references but nothing very explicit; PG-13]
