

The first corpse, decomposed and mutilated, is discovered in a small bungalow on a quiet street. Its everybodys worst nightmare as a serial killer descends on this peaceful bedroom community. The Shadow Mans victims are like lambs to the slaughter. But are these victims truly blameless, or did they somehow bring this horror upon themselves? Enter police officer Jasmine Kincaid. Beautiful and fearless, shes determined to make detective before she turns 30. But the Upland murders are her trial by fire. Partnered with veteran homicide detective Bill Hunsacker, Jasmine is destined to play a terrifying game of cat-and-mouse with the Shadow Man, where not just her career is on the line, but her very life.
